Referral Program

ML Photography and Design is ALWAYS looking to get the word out about the services that are offered.

So...I started a referral program :)

Brides, book your wedding with me AND refer me to a friend who also books with me and get a FREE 8.5X11" book or a 16x24" Float or Canvas Wrap!

Who: YOU!

What: What you do is spread the word about my services to friends, family and anyone else you think will benefit.

When: Anytime one of your friends, family or anyone else that you send my way contacts me about session information AND books a session with me...YOU receive a F-R-E-E 8.5x11" book or a 16x24" Float or Canvas Wrap!!
(That's a \$250 value!!!)

Where: Anyone you tell about my services MUST book THEIR session BEFORE your photo session takes place.

Why: Because you are by far THE BEST at getting the word out! :)
